From Fr. Joe:

**Letter from Dr. Ben Carson to Georgina Vastola**  
**St. Pio Right to Life**

Dear Georgina,

I am writing to you about a matter that's very urgent and close to my heart.

In June the U.S. Supreme Court issued its decision in the Dobbs case, restoring the right of Americans like you and me to protect the most vulnerable and defenseless among us-unborn babies-through the democratic process and uphold the dignity of women and families. After almost 50 years of court rulings that unjustly prevented people and their elected lawmakers from enacting meaningful protections for unborn human life, this was a major victory.

We are now at the beginning of a new era. Over the next few years we will have the opportunity to save hundreds of thousands, even millions of lives by limiting the horror of abortions in many places. The overwhelming majority of our fellow Americans agree there should be significant limits.

Our faith and science are in harmony on this issue. As a former pediatric neurosurgeon who performed the first successful brain surgery on a baby in the womb, I have had the privilege of witnessing the complexity of unborn life up close. I often marveled at the advancements in medicine that allowed me to operate on unborn babies as young as 25 weeks' gestation. Today, healing surgeries like these are possible as early as 15 weeks.

Seeing the miracle of life firsthand convinced me that the unborn are every bit as human and deserving of life as those of us who survived the womb. They have beating hearts like us by six weeks, unique fingerprints forming by 10 weeks, and by 15 weeks we can even see them cry when something causes pain. Each child bears the image of God.

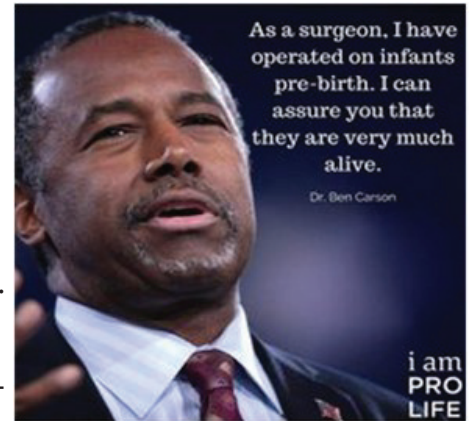

But a powerful lobby is sowing confusion and fear about what the Dobbs victory means. That extends into our own pews where, statistically, many of our sisters and brothers are suffering due to abortion. Politicians allied with the lobby to support abortion upon demand, up until the moment of birth-even **brutal** late-term abortions when the unborn baby can feel excruciating pain. More than ten thousand such abortions occur every year in our nation. Some of them even want to shut down pregnancy centers, where people of all faith have been on the front lines loving, serving and supporting women and their families for decades.

This November, Americans are blessed to have a chance to use our voices and decide what kind of nation we want to be going forward. I pray it will be one that respects the **God-given right to life** and holds civic leaders accountable to protect it. It is especially critical that believers not sit on the sidelines. We must proclaim the good news of life within our own communities and rescue those being led away to death. We cannot be afraid to speak truth in love about the moral and spiritual battle taking place for hearts and minds across America.

At the American Cornerstone Institute we believe every life matters and will always advocate for life and solutions to help everyone reach a place of dignity as a child of God. I hope I can count on you in this noble endeavor.

**GOD OF LOVE AND LIFE  
FATHER, SON and HOLY SPIRIT**

**"I tell you ... there will be more joy in heaven over one sinner who repents than over ninety nine righteous people who have no need for repentance."**  
Luke 15:7

Jesus is telling us to repent to turn from self and turn to God. He tells us to change our hearts and mind and turn from our sinful ways. He tells us to be truly repentant and recognize God as the most important part of our life.

Repent and turn to the Lord. Reject the false attractions of the world. Reject the passions of the flesh. Reject the Devil and his evil ways, especially abortion.

Collier operates Collier Middle and High School, a state-approved school for students whose behavioral and mental health challenges cannot be met within the public school. Combined with a strong therapeutic component, students are academically prepared for college, technical/vocational schools, and full-time employment. Collier residential program addresses the immediate needs for safe housing and food security for young women who have survived trauma, abuse, or neglect while providing in-depth counseling and life skills training with the goal of reuniting with their family or transitioning to independent living. Kateri Day Camp provides over 220 children, whose families struggle to make ends meet, with a safe, affordable, kid-friendly summer camp experience. While at Kateri, campers make new friends, gain confidence, learn to swim, enjoy nature and continue to make academic gains . . . all while having fun!
