**FROM FR. JOE:**

***America's Gleaned Seafood***

***Working with our Commercial Seafood Industry to Provide  
Fresh Donated Fish to Feed the Hungry***

Millions of people in the United States go hungry, even though our country has enough food for everyone.

One reason for this –it's difficult to get food from where it's harvested or even where its being wasted-to people who need it most...

Farmers gather leftover crops after the harvest and donate this “**gleaned**” produce to food banks. Grocery stores also participate in gleaning programs by providing excess food to the food insecure. But, these donations are not enough and it's difficult to get protein-rich foods with current gleaning programs

In 2018 Americas Gleaned Seafood, (AGS) a NJ 501 ©(3) nonprofit was formed to make fresh, NJ caught protein rich seafood available to NJ food banks on a regular basis.

New Jersey is home to a robust commercial fishing industry. The state's 6 major ports harvest more than 20 million pounds of seafood annually. A large percentage-up to 25 million lbs is “bycatch” -not marketable. Per current regulations, this bycatch is discarded overboard, but it is perfectly good and could be donated to help people in need. Most fishers would prefer to do so, but there's never been a process in place to do so. That is the reason AGS was created.

AGS recruits fishing co-ops, docks, and commercial fishermen and each port maintains seafood gleaning boxes where fishers can deposit their bycatch donations, picked up by processing partners, cleaned, fileted, frozen and packaged at a reduced cost and delivered to food banks, soup kitchens, shelters, etc.

The benefits are numerous. Low-income families get the food to live and be healthy. Food banks receive a donation of items they rarely receive or can afford to buy. NJ's commercial fishing industry is supported and promoted as a partner in reducing the amount of unused seafood to help feed local families and provide important data for better fishery management and environmental sustainability.

In 2019, AGS launched the gleaning program at three Monmouth and Ocean County ports: Belford, Barnegat Light and Pt. Pleasant. The seafood donated is processed by Trinity Seafood (SYSCO) in Lakewood and made available to more than 136,000 low-income families.

With need continuing to increase, in 2021, AGS is expanding to Cape May and will be partnering with as many as 30 family-owned vessels that distribute nearly 75 million pound of fresh and frozen fish each year.

**Your Help is Needed to Expand the Fight Against Hunger**

Thousands of pounds of seafood have been gleaned and more than 200,000 meals have been provided to Ocean/Monmouth County Families. Since AGS is utilizing many existing resources and systems, its primary expense is processing. This is where we need your help! Will as little as a \$50 donation, 80 4oz. (.50c) portions of New Jersey seafood can be given.

There is no better time to pursue innovative solutions that will not only help people struggling but also help workers and industries use their skills to be part of the solution to the problem of hunger. We hope you will help us in advancing Americas Gleaned Seafood's mission so we can bring fresh seafood to hundreds of thousands of families in New Jersey.

### **Padre Pio Prayer Anthology**

Our first parish prayer anthology will include many types of prayers. We will begin our collection with prayers that you can use to develop a relationship with God that is more personal and intimate.

**Prayer #39:** Focus Point: September is another month when we celebrate Mary, as the feast of her birth is celebrated on September 8th. This past summer, literature was published about "The Flame of Love", the diary of a third order Hungarian Carmelite, which contains communications from Jesus and Mary that were written down at the command of Jesus Christ! These communications from heaven are recognized by the Catholic Church and support and amplify the urgency of the message of Fatima (which is to remind us that man's future is in God, and that we are active and responsible partners in creating that future). This "Flame of Love" is the grace that comes from Mary's Immaculate Heart. And it is this grace that creates a powerful, imploring force that will blind Satan and renew the face of the earth! We pray that people everywhere will embrace the strength that flows from Mary to work passionately for the salvation of souls!

**Prayer for Strengthening of our Soul and our Passion:** Dear Lord, May the "Flame of Love" in Mary's heart spark the same "Flame of Love" in my own heart. May my gratitude for **Your** sacrifices motivate me to resist earthly temptations, to believe in my own power to influence others, and to spread Mary's flame to those closest to me, illuminating their souls with the passionate love of Jesus our Savior and Mary our Mother! Help me to NOT be passive in this mission but to truly believe that through just a few people, a great outpouring of graces **CAN** change the world. May I **always** live in steadfast persistence, and **joyfully** do my part to spread faith in Jesus throughout God's world! Amen.

**Closing thoughts:** Tell Jesus what is in your heart. Thank Him for your gifts and most of all, thank Him for loving you with His most Sacred Heart!

### GOD OF LOVE AND LIFE FATHER, SON and HOLY SPIRIT

**"Whoever does not carry his own cross and come after me cannot be my disciple" Luke 14:27**

We are told to put Jesus before all else – up to and including our own life. We must reject the attractions of the world, the desires of the flesh and wage a spiritual battle against evil. We must travel the narrow path enduring the scorn of the world, our family, friends and the unfriendly. In other words, we carry a cross with and for Jesus.

Carry your cross. Reject the flesh, the false attractions of the world and evil; especially the evil of abortion. **BE, ACT and VOTE PRO-LIFE in 2022**
